REQUIREMENTS & RECOMMENDATIONS:

- .Jpeg, .png, .gif accepted. HTML5 and third-party server ads are only accepted for the website (not applicable for newsletters)
- Maximum file size: 150kb, convert all colours to RGB
- No sound
- All advertisements will have a 1-pixel defining border
- It is the advertiser's responsibility to ensure that any supplied click-through tags are correctly built and working
- Ensure artwork is legible when viewed in a web browser at 100% size

A website URL is required for all ads
